Hi Tett- I will see if any are possibly upgrades in the later dates. Among the earlier coins I checked and there were no upgrades for you. We will need to upgrade the price estimates in your catalog from a couple years ago. Those are obsolete now! The catalog will go out early next week. It may make it online first. The 1793 C-2 is an AU50 coin and was broken out of A MS62 holder.- Thanks for writing-Chris
